Sour Water Supply Draws Criticism Of Water Department

An excess of hydrogen sulphide in the Belle Glade water works over the weekend caused odor and bad tasting water as well as sour comments from citizens here.

Water Superintendent Clarence E. Tuttle said the presence of algae in the raw water line from the lake to the plant was discovered at 11 a.m. Saturday after flowing since 7:30 that morning.

The algae had died in the line due to hydrogen sulphide which caused the disturbance.

Throop said a pump motor at the lake had burned out and water was being taken directly from the Hillsborough canal for five days. The water from the lake was again opened Sunday the trouble began.

In order to treat the water to eliminate the hydrogen sulphide it is necessary to add 2.2 pounds of chlorine to one pound of hydrogen sulphide per mill gallon of water.

No longer than the water was in the plant, Throop said, it was hard to determine the exact amount of hydrogen sulphide in the water. It takes enough chlorine to kill the algae, but at once is dangerous not only from a health standpoint but also for the user's standpoint.

Throop said the contamination could be blamed on a lack of city gate wells or a plant for setting basins which is included in the improvement plan subject to the forthcoming referendum. If the referendum fails to pass the improvement will be paid for out of the water department's surplus funds.

At present an experimental well is being considered over 2,000 feet deep to find suitable water supplies to stop taking water from the lake.

On the venture into new plant equipment is expected to be \$300,000.

Wells Not Lake Water

"Our city plant was built to treat well water not lake water," Throop said. "No one knows where that type of plant was built."

The present plant was completed in 1947 after passing the 1945 city commission. The plant was equipped to treat three million gallons of water a day. Prior to that the equipment was made to treat 180 gallons per minute but ended up treating 500 gallons per minute.

"That was a better setup than what we have now," Throop said.

The present plant was authorized by the commission through Dr. A. P. Black, consulting engineer, and C. K. S. Dodd, engineer, who were both members of the University of Florida.

The \$200,000 plant in 1947 was built 34 inches too low, Throop explained, for proper drainage from the plant to the canal. It was not particularly harmful, it is not present. Present plans for improvement will eliminate this factor.

Critics

City Manager Clarence Robinson said some comment had been made that the new water and sewer plant weren't qualified to do the work. These comments only intensified last week.

Robinson and Throop both were firm in the denial of this fact. Robinson said all operations there are certified by the

Parking Meters Go Into Operation In Negro Sector Feb. 6

At least 72 parking meters have been placed in the negro business district in the west section of Belle Glade and should be in operation Monday, according to City Manager Clarence Robinson.

The new meters have been placed on SW 5th St., the east side of the intersection of Place to Ave. C, and on Ave. B, Place between 5th and 6th Sts.

Police Chief Charles Goodlett supervised the installation of meters and the painting of yellow lines on the streets that mark the boundaries of the new metering area.

This brings the total number of parking meters now in use in the city to about 200. Patrolman Paul Gray will be in charge of metering the meters daily.

Manager Robinson said the new ordinance concerning extended hours of the meters would go into effect Monday.

The new ordinance requires money in the meters from 8 a.m. until 6 p.m. Monday through Friday and 8 a.m. until 9 p.m. Saturdays.

Rams Defeat Vero Five In Tuesday Conference Til

By JACK McCASKILL

Walter Norris, Vero City coach, and his辅导者, leading the way the Belle Glade Rams defeated a well-drilled band of Indians from Vero Beach here Tuesday night, 50-45.

Coach Hector Cullerton, probably seeking his best combination, fed ten players into the fray and received excellent response from Cumpton, Armstrong, Blair, Elton and Congdon.

The Indians had a Rams a record of 6 wins and losses in the conference, a string of third place. The Rams will face their severest test of the season when they meet Leesburg's Seacrest here tonight.

The Indians had a record of 17 wins, with losses to Vero, 10, and fast, high-scoring record led by Vandemark, giant center. A full house is expected for this important contest.

Vero beat the Indians, 50-45, last week, 10-6, total season: 32,33. Lead: 818.

Beans, Corn Scarce Most Crop Supplies Lighter This Week

Lingerer effects of the cold weather have been seen in some market commodities this week and are expected next week, according to Fred I. Tuttle at the Federal-State Market News Service here.

There was a liberal supply of celery, moderate supplies of radishes and only a few beans and little corn. Supplies of squash, potatoes, peppers and leaf vegetables were light with cabbage and lettuce being cut by demand only at packing costs.

Tuttle said bean plantings were all started at the time and should mature in about 30 days. This situation will be caused in many areas. The new ordinance concerning extended hours of the meters would go into effect Monday.

The new ordinance requires money in the meters from 8 a.m. until 6 p.m. Monday through Friday and 8 a.m. until 9 p.m. Saturdays.

The situation as to demand and price is as follows:

Local Girl Winner In 4-H Club Dress Contest

Miss Dorothy Irvin was one of several winners of a dress contest at the Palm Beach County Fair. It was open to all blue ribbon dress winners, entered by the Business and Professional Women's Club of Belle Glade, and the Experiment Station, under the direction of Dr. R. V. Allison. To enter the contest the girls modeled dresses which they had made themselves. The winners received enough ramie material to make a suit, having their choice of color and design. The dresses which the girls modeled from the ramie will be modeled later in the year at another contest.

Mary Vi Mathewson, Janet Blowers and Carol Jean McClure, sixth grade students and officers of the 4-H Club, demonstrated salted salmon at the Palm Beach County Fair 4-H Club booth.

New Future
For Your Present

How many ties did you buy for Christmas? How many did you buy with one? You may have used a couple this year, too. Instead I got three wool mufflers. People so often have tastes and preferences that differ from ours. For example, there's an old man who likes coffee, the beverage, and all the others (like me) who'd rather have a glass of beer. Being able to make your own choice is the greatest "gift" of all.

Some people are determined to do something about the Useless Gift Problem—they're holding a "White Elephant Party" Saturday at the Community Hall. Handy Peters, the chairman, "thinking you would rather give than receive," he says. "Chances are you'll swap them off for something even worse—but it ought to be fun."

The Belle Glade Chapter of the Future Farmers of America will make their annual trip to the Florida State Fair in Tampa, this weekend. The boys will leave Belle Glade this afternoon, having traveled by car to Plant City, where they will spend the night at the Hotel Plant. They will continue their trip to the Fair Saturday morning.

The purpose of the trip is to attend the Future Farmers Program of the Fair and to enter our judging teams into the judging contest. The teams will judge hogs, beef cattle, and dairy cattle. The boys, sponsored by the chapter, will judge and record the teams. The chapter will not be responsible for boys who are not traveling with this group.

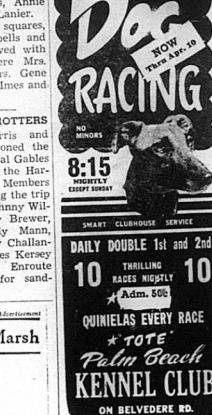

The F. F. A. string band entertained the Lion's Club Wednesday, Jan. 24. The band did a very good job and the chapter is proud of them.

College Choir Heard

Florida Southern College's Choir was heard by the students of Belle Glade High, Monday morning.

Frank Hobson, principal, called the assembly to order, then turned the program over to Wynn York, head of the music department at Florida Southern College, and choir director.

The members of the choir impressed the students very much by the students. Some of their selections were as follows:

"Beheld the Star," which was a solo, "Go Away From My Window," by Miss Beverly Jones, of Miami. Beverly Jones and Jim Connor, of Augusta, Ga., did a negro spiritual, followed by a solo, "Soon I Will Be Done," also a negro spiritual.

NATIONAL GUARD NEWS

Officers and men of the local National Guard unit, Company E, completed their two weeks of Saturday and Sunday at the firing range in West Palm Beach after firing M-1 rifles, carbines and pistols on the known distance range.

The convoy left Belle Glade shortly after 10 o'clock. The targets were set up in the bivouac area and readied and the men were ready to begin firing by 1 o'clock.

The men ate supper Saturday, breakfast and dinner Sunday on the range where the meals were prepared on field ranges.

The firing finished early Sunday afternoon. After cleaning weapons and striking camp the convoy left Belle Glade Sunday evening at 5:30.

Monday night the Guardsmen stood inventory inspection here at the armory where equipment and personal clothing was checked. The unit also finished ed the final inspection of the bivouac field equipment.

Commanding officer 1st Lt. John H. Cromatic said the bivouac would also allow Guardsmen to gain extra training on field equipment before embarking for summer camp in July or August.

None new recruits for Company E have been sworn into the ranks of the National Guard.

James S. Fry, Howard T. Lewis, Thomas R. Kennedy, Dwayne Wadsworth, Kenneth D. Wadsworth and R. V. Cochran are from Clewiston and Albert M. Stewart, Rollie Lee James and Thomas J. Moore from Belle Glade.

The extensive recruiting drive conducted by Cromatic urges all young men to investigate the advantages of serving your country in your own home town. Guardsmen receive a full day's pay for each two hour training period Monday nights.

ARBOR DAY WAS OBSERVED ON THE GROUNDS of the old elementary school in ceremonies attended by over 80 students of the three fifth grades, including members of the Junior Garden Study Club. The program was sponsored by the Garden Study Club, with Mrs. Jimmy Williams, conservation chairman, left, in foreground, in charge of planting the royal poinciana tree, donated by Mrs. Luther Jones, right, chairman of the junior club, and Mrs. Robert Lanier, teacher, are pictured in background at right. BROTHER OF MRS. GATLYN KILLED IN CAR ACCIDENT

A. L. Gatlyn received word Sunday afternoon from his wife in Plant City that his son, Robert, 16, was killed in a car accident. Funeral services were held in Plant City for the past six months, taking care of her mother, Mrs. Hazel Gatlyn, who is quite ill.

Mr. and Mrs. Kenneth Locklear took Mr. Gatlyn to Plant City Sunday night.

BEF COMMERCIAL GRADE MAY BE SPLIT INTO TWO DIVISIONS

Beef grades may be changed soon to accommodate a new division of the commercial grade, the USDA announces.

A proposal has been made that the commercial grade be split into two new categories designated as standard and commercial.

Standard would apply to beef from carcasses of younger animals of the grade, commercial to beef from mature animals falling in present commercial grade.

Dr. Allen Elected To Office Of New Girl Scout Area Council

Mrs. James P. Keith, West Palm Beach, was elected president and Dr. Robert J. Allen, Belle Glade, first vice president of the new Area Council Girl Scout Council at an organizational meeting held at the First Methodist Church in West Palm Beach.

Among those elected from this area for a two year term to the area directors was Mrs. Fred Sikes, Clewiston, who was also chairman for District 4 which includes the Glades area of Palm Beach county and part of Hendry County.

Mrs. Helen Blyth of Clewiston was also elected for a one year term on a committee, who elects area chairman to serve on board of directors. Mrs. Kendall Luce of Belle Glade was among those named for two years on the membership nominating committee starting from multiple terms.

Other officers, board members and directors were also nominated, elected and installed at this meeting.

A constitution and by laws for the new organization was adopted and formal action on articles of incorporation for the new council was taken at the meeting.

Dr. Allen presented a budget of over \$18,000, which was accepted by the membership. Several prominent Girl Scout leaders

Tallulah Bankhead At PB Playhouse Feb. 6-11

The incomparable Tallulah Bankhead will be seen in the leading role of Blanche du Bois, Mrs. John Willy's world-wide dramatic hit, "A Streetcar Named Desire."

Her co-star, the tragic Helen Hayes, has developed the theme of the fallen angel along completely new lines in "A Streetcar Named Desire," which was written for the tragic beauty that is symbolized by the magnolia.

Williams draws a delicate parallel to the early blooming flower of the South, which, once fallen, contaminates all it touches with death.

Stanley, his title from the streetcar that once ran through the old French Quarter in New Orleans, a streetcar that bore the name of Desire and connected with another named Cemetery, the playwright tells the story of a prostitute who falls in love with Blanche who arrives suddenly on the doorstep of her young sister, Stella, and Stella's lusty, boisterous husband, Stanley Kowalski.

Her arrival brings nothing but bad, claustrophobic confusion. Her frenzied flurry of petty and futile pretenses, and her talk

about her nerves, her former teacher's job in Mississippi, her best, Playhouse production of Tennessee Williams' world-wide dramatic hit, "A Streetcar Named Desire."

The most talked-about play of our time, this Pulitzer Prize winner will open at the Palm Beach Playhouse next Saturday, February 6, and continue there for eight performances through Saturday night, February 11.

Tennessee Williams, who first won success with the memorable "The Glass Menagerie" ("Come and Go"), the opening attraction at the Palm Beach Playhouse, starring Helen Hayes, has developed the theme of the fallen angel along completely new lines in "A Streetcar Named Desire."

A tragic early marriage, ending in disaster, had driven her to more and more men, to drink, and to taking refuge in a dream world where what mattered most was what she wanted to be true.

When Stanley relentlessly tears apart her last pretense of gentility, and gives her secret away to Mitch, the one man who has sought her out, he has opened her the tension and terror that have panicked her so desperately are broken, and she is led away, a lost victim of self-delusion.

Gerald O'Loughlin will be on hand to find out the needs and problems of the local organization and what they would like and to set up assistance to that effect.

All persons interested in service clubs are urged to attend this meeting.

Since the new area council has been formed all Girl Scouts will have the same privileges throughout all districts.

California Celery Men Visit Glades Fields

Mr. Walter Mewing of Culver City, Calif., accompanied by Roy Sakioka, the largest single grower of California celery, California visited Glades celery fields and packing houses Wednesday enroute to a visit with the ponies at Hialeah.

Mr. Mewing represented a group of Florida growers in Sanford for several years, but returned to California in 1946, where he has continued his activities as broker in the vegetable industry.

Mr. Sakioka, who has been growing celery for 30 years, has found his celery fields grown up with apartment houses, but with a half dozen sons and daughters and a score or more grandchildren, he has moved from his acquired more acreage so that young members of the family may carry on the operation.

Both gentlemen discussed in a partisan manner the competitive virtues of Florida and California celery, with the sales force of Pioneer Growers, with whom they have long been acquainted, but conceded that Florida growers are more highly mechanized.

The smart motorist is the fellow who realizes that he needs to overhaul his driving habits more often than his automobile, says the Florida Highway Patrol.

"Very few motor vehicles get an overhaul job twice a year, but the average motorist knows it is smart business to overhaul his driving habits at least two times every year."

"Getting the feel of the road and having his automobile operating to the driver, while warmer months driving is quite another," declared Comdr. H. N. Kirkman of the Patrol.

He said, "In the winter months, driving is more difficult, especially at night, driving hours, while in the winter months, night comes quicker and up comes the heat of ugly subject—poor visibility."

"In warmer weather, you step on the starter and the old buggy purrs and off you go, but in the winter, your car is a little sluggish and you have to give thought to warm-ups on cool mornings," declared Kirkman.

He said, "You will see more accidents in the winter months, because the motorist would rather not be bothered with the thought of the motorist would accept winter driving responsibilities and adjust his habits to this kind of a situation. Of course, the same applies to summer months, too."

"Your car needs a little kinder attention in our cool weather," the patrol commander said, "and you can rest assured that for every ounce of caution you take up good work, feel good."

Michael Berryhill Feted On Birthday

Michael Berryhill celebrated his eleventh birthday Tuesday evening. Mrs. Lee Berryhill, entertained a group of his friends at a wiener roast and party.

The boys played games and prizes were awarded. The birthday cake was frosted in blue and yellow.

Guests present were Kent Bell, Wayne Wood, Tommy Close, Diddie Mills, Bob Kent, Robert Parrish, Hub Spooner, Marion Jones, Dick Jones, Bill Jones and Hobie Carter.

Jan. 31 was also the birthday of Michael's father, Lee Berryhill. Following Michael's party, the Berryhills entertained at a barbecue dinner, Mr. and Mrs. George LeGos and girls, Barbara and Carol.

Post Nuptial Shower Honors Mrs. Rogers

Mrs. E. J. Rogers, the former Kathleen Rogers, was honored at a most unusual bridal shower held at the home of Mrs. George Imre, Wednesday night.

Mrs. Ruth Langworthy was co-hostess.

The bride's table which held the gifts was centered with a green and white floral arrangement and a miniature bride.

Delicious refreshments of chicken salad, nuts, mints and coffee were served to Mrs. Thelma Davidson, Mrs. Annie Clayton, Mrs. Marilyn Corbin, Mrs. Betty Gandy, Mrs. Robert Lee, Mrs. Clara Gledhill, Mrs. Gene Womack, Mrs. Annie Prescott, Mrs. Vera Jones, Mrs. Alice Nelms, and Miss Cynthia Slater.

The group voted to write a letter to the FECR asking the standard height of the trestle railroad bridge which crosses above the Lake of the Palm Beach. The trestle has been under discussion on whether to lower to ground or leave as is.

A change in by-laws were presented and will be voted on the second week of February. A meeting date of Feb. 15 was set for the meeting to be sent to the TB Assn.

Mrs. John Monroe and Mrs. Louis Kirchman were in charge of the program and presented Mrs. Bert Roemer who gave a talk on literature, choosing poetry as her topic.

start to operate the equipment. Periodic inspections are made of the personnel as well as the water. Should the State Board of Health find something wrong with the plant, the plant would be closed until the difficulty were corrected.

Robinson said, "The Florida Board of Health is one of the most powerful I've ever seen in any state I've worked in." He went to explain that Tex. M. Price is a member. The chapter is sure Louis will bring back some constructive and wholesome ideas about co-operatives.

This would apparently prove that any unfavorable comment was unfounded. It also bears out that the city realizes its mistakes and is taking care quickly to improve facilities. Some stumbling blocks are bound to occur.
